Weekly Update

The St Nicholas April Newsletter was emailed to families last week and can be found on our website. A great deal of information was provided for our families to support you during this time. Be sure to read through the information and if you require any additional support do not hesitate to contact the school at (780)-474-3713.

Subject Area Teachers continue to connect with students this week **(See Teams Meeting Schedule below)**. There have already been some fabulous stories last week about how Teams Meetings, emails and phone calls are making our students...and parents...and teachers...feel connected!!

If you need technology for your child to complete their work, please contact the school via their homeroom teacher or directly at the main office. We currently do not have enough technology to support ALL our families so please only reach out if you have no other option. We have registered for additional computers through Computers 4 Schools and are awaiting a delivery.

A Chromebook Purchase Option is also available through the Division at [Chromebook Parent Purchase Program](#). The cost includes full technical support and damage protection for three full years.

Your child's School Supplies can still be picked up from your child's locker between 9:00AM and 3:00PM.

"I really do love you Piglet, but can you back up a little bit!!"

Remember "social distancing" is BECAUSE we care about each other.

Stay safe ALL!!
