

Principal's Message

Dear Parents and Guardians,

The 2018-19 school year has come to a close...it's hard to imagine that summer is upon us! It's unbelievable how quickly yet another year has gone.

The end of the school year is also a time for new beginnings. I wish our graduating Grade 12 students the greatest of success and happiness in their lives beyond the confines of high school. I thank each of you for the gifts you brought to LSL, your passion, your talent, your commitment. I pray whatever path you follow, that a piece of Louis will remain in your hearts with fond memories of friendships forged and values defined.

To our returning students, we wish you a safe, restful and exciting summer, full of family, friends and adventure. We look forward to your continued growth as leaders within our school community in the upcoming school year.

The end of every school year also brings with it an element of change. Although change is often difficult for us, it can also offer great rewards in renewed opportunities. We will be saying farewell to some of our staff, who are embarking on new experiences at the end of this year. We say farewell to Mrs. Muskego, Ms. Wojcik, Mr. Slipetz, Mr. Strzelec, Ms. Massel-Schiavon, Ms. Lemire, Mr. MacDonald and myself, Mr. Wasylenko. Personally, it has been my honor to have been your principal the last 4 years. I leave LSL with fond memories, and the confidence that the many great traditions and the excellence in our multiplicity of offerings will continue and grow in the future.

Please note that all correspondence to prepare for the upcoming school year will be sent via Canada post, so please monitor that communication pathway in later July to access important information for the fall.

Additionally, we will be furthering our online registration and payment requirements beginning in the fall. It is imperative that EACH family has an active Parent PowerSchool account, for fee payment as well as a fully digital registration verification document that EACH student MUST confirm every year. Please ensure to come in during our pre-registration days August 26-28 to attend to these important matters.

Finally, please be advised that the staff, in conjunction with the School Advisory Council, has developed a new cell phone policy for the 2019-20 school year. This policy will be presented more fully to all stakeholders in the fall, but in essence the policy presents significant new restrictions to cell phone use in school, in an effort to heighten student focus and engagement in instruction, and less on the social interferences we see among our students during instructional time. We look forward to your support and cooperation with these new measures.

Thank you for a wonderful year. Thank you for your support, as parents, of all we do for your children at school. Have a safe, restful and fulfilling summer!

God Bless,

T. Wasylenko,
Principal
