**Regular routines and sleep** are critical to ensure your child’s continued success as we engage in on-line learning. During the week try to encourage a reasonable bedtime and a decent amount of sleep. This will ensure your child can attend regular Team meetings and connect with their teachers and classmates if they have any questions.

**Chromebook Purchase Option** is available through the Division at [Chromebook Parent Purchase Program](#) . The cost includes full technical support and damage protection for three full years.

**Your child’s School Supplies** can still be picked up from your child’s locker between 9:00AM and 3:00PM.

**Subject Area Teachers** continue to connect with students this week as per the following schedule:
