Dear Parents/Guardians:

In partnership with Edmonton Regional Collaborative Service Delivery we are working together to support children/youth, families and staff in our school.

This year, members of the School Linked Team will be visiting our school regularly. This Team will include a:

- Speech-Language Pathologist
- Occupational Therapist
- Mental Health Therapist

The School Linked Team will visit classrooms and work alongside teaching staff to plan and support all learners. The school will contact you, followed by a call from a member of this Team, if any follow-up is required for your child/youth. If specific services are required a Request for Service will be made and your consent will be required.

If you have any questions, please do not hesitate to call the school at 780-475-3730.

Sincerely,

Mr. Andrews  
Principal
