

Google for Education

ECSD now offers Google for Education as part of multiple tools of choice in our vibrant and unique school district. With your Google account you will have access to powerful apps, extensions and tools that will impact student learning! With the Google for Education accounts students and staff receive Google Drive, Docs, Slides, Sheets, Forms, Drawings, Calendar, and the exciting online blended learning tool Google Classroom! Google for Education is a browser based service so users can work between home and school with the same access to all of their learning tools including their assistive technology. Google for Education is multi-platform and will operate on any device from PC, Mac, iPads and Chromebooks!

Sign into the Chrome Browser at home or school!

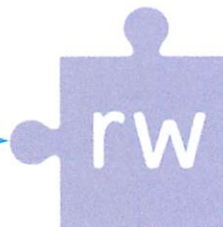

Logging into Chrome on a PC, Mac or Chromebook is simple! In the top right hand corner of the Chrome Browser you will sign in using your existing district credentials.

Staff: `username@ecsd.net` with your ECSD password

Students: `username@school.ecsd.net` with your school issued password

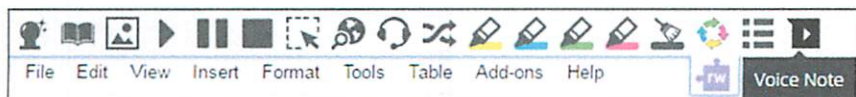

On personal devices please download the Google Apps and login to each app using the same method!

For a tutorial on how to sign in to Chrome please visit <http://bit.ly/loginchrome>

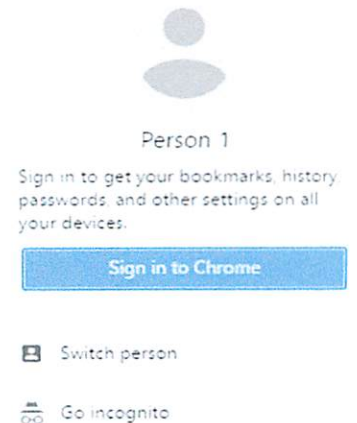

Read&Write for Chrome is assistive technology for ALL!

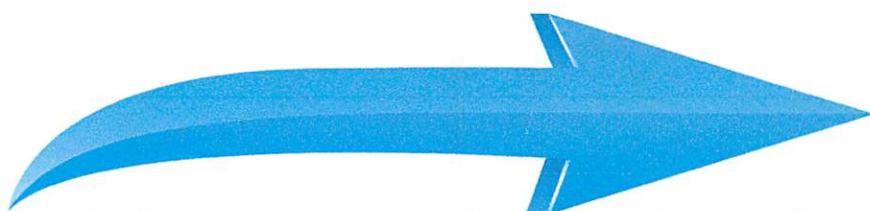

Read&Write for Chrome is a powerful extension for PCs, Macs and Chromebooks that offers assistive technology such as text to speech, dictation, vocabulary builder, dictionary tools, study skills and more for all staff and students in ECSD. Once you login to the Chrome browser your extension will be ready and waiting for you! Read and Write supports you in Google docs, web-pages and PDFs!

For a tutorial on how to enable Read&Write for Chrome please visit <http://bit.ly/loginreadwrite>

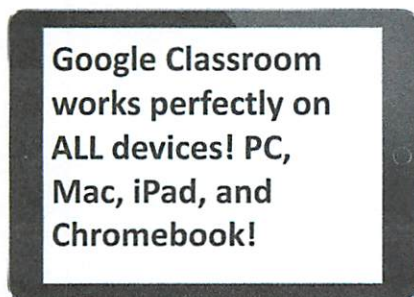

Google for Education

***Google Classroom!
Mission Control for
blended learning!***

Google Classroom is an online learning environment for assignments, announcements, class materials, and more! Students have access to their assignments and important information in one simple location! Parents can also be invited to follow along with their child's progress simply by being invited via their personal Google account. Google Classroom is also completely compatible with Read and Write for Chrome. Home and School connection has never been easier!

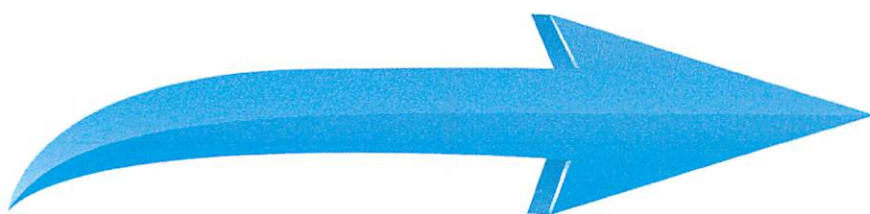

Google Classroom works perfectly on ALL devices! PC, Mac, iPad, and Chromebook!

For a tutorial on creating or joining Google Classroom please visit <http://bit.ly/logingoogleclassroom>

For info about parent email summaries please visit <http://bit.ly/loginparents>

***Google Security
helps support safe
online learning!***

Edmonton Catholic Schools is committed to providing anywhere/anytime learning opportunities for our students and teachers. Students and teachers need to be aware of the benefits and risks associated with the use of any online tools such as the Google Apps for Education. By using the Google Security feature in the Chrome Browser, you can be an active digital citizen for all of your apps and extensions!

For a tutorial on Google Security features please visit <http://bit.ly/digitalcitizenecsd>
