

# Scripture Club

**WHO?** Mr. Pundyk ran the scripture club last year and if students are interested in reading the bible and discussing the faith from a Catholic perspective any and all students are welcome.

**WHAT?** Sharing the Word of God is not just something that is good to do we would not have a Catholic School. Your teacher and other students will sit once a week to eat together and read the bible.

**WHEN?** If students are willing and wanting to be a part of this group we will meet once a week to do this. Listen to announcements for further details as to when we will begin.

**WHERE?** We will have this group meet in the CTS computer lab desk area aka Room 132.

**WHY?** Building our faith and trying to become a better person is something we can all strive to do and with God's help all things are possible.

**HOW?** This will likely be a small group but there are no tryouts so just come, sit, listen, eat and we can discuss and enjoy our faith with others at AOB.
