## Satisfaction Survey Rates Remain High

The Board of Trustees discussed the 2019/20 Satisfaction Survey results at the public Board meeting today. All parents, students in Grades 4 to 12, as well as all staff were invited to participate in the annual survey.

“These results are extremely important as they give us accurate information on how parents, students and staff feel about important aspects of our school Division,” said Laura Thibert, Chair, Edmonton Catholic Schools. “These responses will help shape future decisions,” Thibert went on to say.

Here are some areas of satisfaction:

### *Parents*

- **Quality of Education:** over 96% of parents satisfied
- **Catholicity:** over 98% of parents satisfied with Catholicity
- **Safety:** over 97% of parents satisfied with safety

### *Students*

- **Grades 4 to 6 students:** over 96% happy with their school
- **Grades 7 to 9 students:** over 90% satisfied with quality of education
- **Grades 10 to 12 students:** over 92% satisfied with quality of education

### *Staff*
