  - ELA
  - FLA
  - Études sociales
  - Sciences
  - Mathématiques
  - Cours complémentaires
- 6 packages of subject dividers for binders
- Pencil case with tools for each class: 2 blue/black inked pens, 3 different coloured highlighters, 2 pencils, white eraser, white-out
- Ziplock bag with extra supply of blue/black inked pens, pencils, eraser to be kept in locker
- Compass and protractor set
- Clear plastic ruler
- Package of 12 pencil crayons
- Calculator for math and science [below described]
- Lined paper in each binder
- J.H. Picard physical education attire: J.H. Picard gym shirt is recommended and available for purchase at the online store:
  - Mens: <https://ecolejhpicard.entripyshops.com/mens-zone-performance-t-shirt>
  - Ladies: <https://ecolejhpicard.entripyshops.com/ladies-zone-performance-t-shirt>
  - Youth: <https://ecolejhpicard.entripyshops.com/youth-zone-performance-t-shirt>

Students require a lock for their PE locker which they use only for their PE class. Therefore, students should have a plastic bag for their PE clothes, lock and running shoes for their main hallway lockers. When they go to PE class, they can use a locker for their PE class only and after class they return their PE bag to their main lockers.

### Calculator required for math and sciences:

For junior high, every student requires a calculator. Students do not require expensive scientific calculators in junior high. Most junior high students use the **TI-30X** from Texas Instruments. Cell phone calculators are not sufficient to support the operations students need to learn or successfully understand.

### Journal required for English Language Arts:

We are using a Personal Composite Writing Journal in ELA for each student. Journals are purchased in grade 7. The school will purchase these composite writing journals in bulk and you will be able to purchase them from your Parent Powerschool account for \$3.50.
