Ecole/Escuela Grandin School Code of Conduct

École/Escuela Grandin strives to create a welcoming, caring, respectful and safe learning environment. Our Code of Conduct does this by establishing clear expectations for student behaviour at school and school-related activities that reflect our Catholic values of hope, mercy, and reconciliation.

As children learn and grow, they may make poor choices or become involved in negative situations. In keeping with the School Act, our Student Code of Conduct Policy is not a 'one size fits all' policy. It is flexible enough to respect the uniqueness and dignity of each child and to encourage children to learn from their mistakes.

DEFINING AND RESPONDING TO INAPPROPRIATE CONDUCT

At École Escuela Grandin, we respond to inappropriate conduct which occurs within the school building, within the school day, at school-sponsored events outside the school building, or by electronic means. We do so in accordance with the Catholic value of reconciliation. We encourage the child to assume responsibility for his/her actions. Children will be given opportunities to reflect upon the consequences of their actions through writing and dialogue. Teachers, administrators and parents work together to empower students to find solutions to difficult situations. This requires clear communication between all parties – parents, teachers, administrators and children of all ages.

Intervention strategies, preventative procedures, and/or consequences will take into consideration unique student attributes such as age, maturity and individual circumstances. This is in recognition that a one “one-size-fits-all” approach does not meet individual needs.

A minor offence may include:

- impolite manners
- disruptive behavior
- incomplete homework
- disrespectful conduct
- tardiness
- unsafe/rough play
- inappropriate dress (no beachwear, no offensive graphics/language)

In such instances, the student may be asked to

- a) complete missed work on their own time,
- b) work in a different classroom (change of community),
- c) work in an alternate, supervised area,
- d) verbally apology to parties affected,
- e) write an apology,
- f) temporarily lose privileges such as participation in a noon hour club,
- g) walk with a supervisor at recess,
- h) cover inappropriate dress,

Both students impacted by the inappropriate behaviour and student engaged in inappropriate behaviour will receive adult assistance in the restorative process. Students may be asked to phone parents to inform them of their inappropriate behaviour to ensure they take ownership for their actions.

A major offence may include:

- **bullying (within the school, during the day, or by electronic means)**
- **vandalism**
- **stealing**
- **fighting**
- **use of inappropriate language / gestures**
- **habitual neglect of student responsibilities**
- **willful major disobedience that endangers the safety and smooth operation of the school**

In such instances, the student will speak with an administrator and parents will be contacted. Major offences will generally result in an in-school or out-of-school suspension. Suspensions could range from a one-hour period to a full-day in-school suspension or an out-of-school suspension ranging from one to five days. During the suspension, the student may lose lunchroom and extra-curricular privileges and will be responsible for any work missed. In accordance with section 24 of the School Act, the administrator will determine the length and nature of the in-school or out-of-school suspension based on the severity and/or frequency of any breach of conduct.

Bullying and Discrimination

École Escuela Grandin defines bullying as “repeated and hostile or demeaning behaviour by an individual in the school community where the behaviour is intended to cause harm, fear or distress to one or more other individuals in the school community, including psychological harm or harm to an individual’s reputation”.

Students will:

- **refrain from bullying**
- **refuse to tolerate bullying even if it happens outside of the school or school hours or electronically**
- **immediately report incidences of bullying to staff and parents through dialogue and/or in writing**

Students may report bullying by:

- **telling an adult staff member at the school**
- **telling a parent/guardian**
- **calling the Kids’ Help Line at 1-800-668-6868**

We affirm that pursuant to the *Alberta Human Rights Act* and the *Canadian Charter of Rights and Freedoms*, students and staff members are protected from discrimination. More specifically, discrimination refers to any conduct that serves to deny or discriminate against any person or class of persons regarding any goods, services, accommodation or facilities that are customarily available to the public, and the denial or discrimination is based on race, religious beliefs, colour, gender, physical disability, mental disability, ancestry, place of origin, marital status, source of income, family status or sexual orientation.
