Locks will be provided by the school for all student lockers; locks must be returned to the school at the end of the year. Students who do not return locks at the end of the year will be expected to pay the replacement cost.

Physical education clothing is mandatory for all students during physical education. Each student must have shorts or sweatpants, a t-shirt, and running shoes. They may bring their own clothing items from home, or they may purchase shorts and t-shirts from the school online store in the Fall. Clothing items are not sold directly from the school.
