

Applying to École St.Cecilia for 2021-2022

Grade Six students currently in ECSD Schools

All families will receive an ECSD “Passport” with your child’s information included. Your address will determine which school is your designated junior high school. If the passport does not indicate “École St. Cecilia School” you will need to write “École St. Cecilia School” in the adjacent blank space. Return the “Passport” to your child’s elementary school and the remaining documents* directly to École St. Cecilia School.
