

ST. DOMINIC ELEMENTARY SCHOOL KINDERGARTEN – GRADE 6 PROFILE

Welcome to the St. Dominic Catholic Elementary School Community. Our motto “One World with Jesus” connects us to our values as a diverse and inclusive community of learners as seen through a Catholic lens.

St. Dominic School is a Catholic and child-centered community which works together to inspire our students to strive for personal growth, mutual respect and individual excellence within a Christian Learning environment. Our school’s liturgical celebrations, living our core values through the 8 Characters of Catholic Education and our dedicated staff are just a few of the many ways in which we ensure that your children are surrounded with a climate that is focused on learning and respect for one another and their surroundings.

St. Dominic Catholic School maintains high standards of academics and discipline. We have very high expectations of our students and we provide them with the tools necessary to experience success on spiritual, academic, and social levels as global citizens living in the 21st Century.
