“Weekly News” Jan. 11-15, 2021

## Principal’s Message

Dear Parents/Guardians,

We are excited to have our In Class learners return to school on Monday. Please remember to use proper drop off areas, not in our bus zones or staff parking lot. Police will be having an increased presence in Jan and Feb. to ensure our students are safely transitioning in the school.

Our Open House this year will take place Virtually on Feb. 3, 2021 at 6:00 pm. Information will be posted on Monday, January 11. Please check our website for further information.

If you know of any families in our area who have children that are eligible for schooling from Kindergarten to grade 6, please have them watch the website for upcoming registration events or contact the school.

100 Voices registrations will start on Feb. 1, but there will be changes announced next week.

Registrations will open after Jan. 11, 2021 for New K-6 Registrations and will all be done online. Kindergarten students are eligible to register if they turn 5 before Dec. 31, 2021.

As we begin planning for next year, our IITS department has developed an “intention icon” on the parent portal **where every currently registered student** (pre-k to 12) or parent of the student **will need to declare which school they intend to register in for next year**. The intention icon will be activated for February 1, 2021 and should take less than a minute to complete.
