Principal’s Message

Dear Parents/Guardians,

Can we please give you ALL a great round of APPLAUSE! From students to parents to staff, we’re all in this together and the hard work you are putting in is definitely showing off.

It’s certainly a hard start where we can’t get to meet in person. Our staff have prepared some introductions either in written form or on video. See the attached Google Slides presentation. [Here!](#)

If you need to speak to your child’s teacher, please send them an email and they will contact you outside of class time. We’re trying to use every possible moment to be working with children, developing those routines and enhancing learning.

We hope you are enjoying the experience of having your child at school and giving you a much-needed break from having them 24/7. We love that they are here and look forward to more online students returning to school for the 2nd Quarter.

Our online teachers are busily working with students and in some case parents (for our younger ones) to develop engaging lessons and curriculum. Just a reminder, that they are not technical support. Please make sure you read all the support documents they have sent home for online learning. If you are having issues, please send them an email and when they have a moment where they are not in front of their classes, they will contact you or find out who can help you.

We practiced our first Lockdown drill this week- students followed their teacher’s directions perfectly.

The Student Verification forms are to be completed by Sept. 30th.

We appreciate your feedback and questions as we are all learning what’s working best in this situation.

Mark Sylvestre
Principal

Nicole Rolph-DeVicque
Assistant Principal
