#### ***6.2 Recruitment and Registration***

Open houses were held on February 9<sup>th</sup> and March 11<sup>th</sup>.

Registrations and course selections are largely completed. If any incoming grade 10's missed the registration at their junior high they are encouraged to e-mail St FX.

#### ***6.3 Grad 2021***

Planning for grad is going ahead but the organizing committee is watching the AHS restrictions closely. They are currently working on the pricing.

#### ***6.4 Bike-a-thon "race around the world"***

Race Around the World was a great success. As of right now, there has been \$53,000 raised with \$44,129 raised by FX. It was great to get the other schools involved as it resulted in a real team effort and pulled us all together, which is so greatly needed right now. Presentation by Carla Cuglietta was really well received, and we were so fortunate to have her involvement.

#### ***6.5 Community of Schools Collaboration Night***

ECSD is moving from an accountability pillar system to an assurance model. There was an engagement evening on March 15<sup>th</sup> and Heather thanked the Parent Council volunteers that took part in the meeting.

As a further step into the assurance model, the school will be sending out a survey "by the students, for the students." The admins are eager to get the students feedback on various topics. The survey is expected to go out via google forms towards the end of April and will be anonymous. There will then be

a town hall meeting to discuss the topics. Heather would like representatives from School Council to attend the town hall.
