

June 29, 2022

To Parents/Caregivers of our Students,

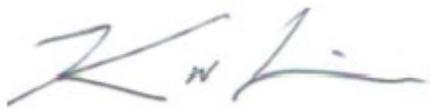

As June ends, and I reflect on the school year, I feel so blessed that I was able to be part of the St. Mark community for the last two years. The commitment that the students, staff, friends from St. Andrew church, and our families have shown each other to create a safe, respectful, and caring environment is second to none. Your children come to school excited to connect, learn, and have fun; they are what makes St. Mark school special. I will miss all the students and the wonderful memories we made together.

Throughout the summer, the school will not be accessible to students, but we are always here to support you. If you need something, please email the school and someone will get back to you. We are always happy to welcome new students to our community, if you know someone that is interested, please have them email the school. **The first day back for students is Wednesday, August 31st, 2022.** Also, a reminder that the school supply list for next year is on our [website](#).

We are so proud of our student's leadership and all the learning that has happened this school year. Please pass on our praise to your child throughout the summer and remind them that even God took time to rest and reflect on his accomplishments. "And on the seventh day God finished his work that he had done, and he rested on the seventh day from all his work that he had done. So, God blessed the seventh day and made it holy, because on it God rested from all his work that he had done in creation." (Genesis 2:2-3).

Have a spectacular summer! God bless all of you!

Sincerely,

Kevin N Myskiw
Principal
St. Mark School
