ASSIGNMENT	DESCRIPTION										
1	Module Work										
2	Module Extension Activity										
3	Lab										
4	Safety and Sanitation										
An Important Note About Assessment	A wide range of assessment information is used in the development of a student’s final grade. Within Alternative Education, individualized assessments provide specific information regarding student progress and overall performance in the course. Student assessments may vary from student to student to adapt to differences in student needs, learning styles, preferences and paces. The teacher will apply best teaching practices to determine appropriate assessment.
