

Annunciation 2022 Hot Lunch Information

PLEASE read the following as there is a lot of important information regarding the hot lunch program this year.

We will **only** be doing online orders as it is as easy as paying a bill online ;). The instructions regarding how to sign up are attached. Please do not send any money or order forms to school. If you are unsure of how to sign up, I would be more than happy to walk you through the process. Please call me 587-879-7727 after 4pm or you can also contact Healthy Hunger.

Just a couple of things to remember.... Please READ.

You will need to register each child using your original log in, if you still have one from previous years and add your children to their current grade/classroom.

If you have never registered on the Healthy Hunger site before, you will need to set up an account using your email and a password, then register your child.

If you have more than one child at the school, you will need to register each of them separately. See attached HOW TO document.

- If you are not ordering still go and register as that is how I correspond with parents regarding changes or upcoming lunches.
- Please be sure to indicate if you can volunteer as that is the only way we know. We truly appreciate the help. You can also contact me directly either by email or text.
- If you have any questions, please contact me, Stacey, directly on my cell at 587-879-7727 or email Staceylaine74@gmail.com as the school does not run these programs, the school council does, I am available after 4:00pm
- **IMPORTANT** the cut-off date for orders is always 5 days before the actual hot lunch or fundraiser date, so please mark your calendars or put reminders in your phones. If you have registered your child on the Healthy Hunger site, you will receive a reminder if you have not placed an order. **HOT LUNCHES WILL BE ON FRIDAYS THIS YEAR.**
- No late orders will be accepted.
- **There are a few different ways to pay, please see attachment.**
