Khair For All

- This is a **sustainable, accessible, low cost, and culturally relevant food program** that is offered through a collective partnership between the Multicultural Health Brokers and GÜD Box.
- Food boxes are between **20-30% cheaper** than the same items that you would buy at the grocery store. **Small boxes at \$25 and large boxes are \$50.**
- There is no application to be a part of the program. Food can be **delivered** to your home for a flat rate of \$6 or you can **pick up** the food at the depot you select.
- The boxes contain a variety of fruits and vegetables that are culturally relevant to the diverse communities of Edmonton.

- Is your child interested in playing a **sport this summer**, but finances are a barrier? You may be eligible for a **grant** through Kidsport.
- Find a school sport, a club sport, a community sport, a group sport, or individual sport program and register for it. Then you can apply for Kidsport. If you qualify, the funding will be sent directly to the sport program or you will be reimbursed if you already paid upfront for the program.
- Approval is based on a standardized Low-Income Cut Off scale.
- Grants are up to **\$250 per eligible child.**
