Halloween

SAFETY TIPS

1. Walk with other kids or have your parents walk with you.
2. Stay on the sidewalks and don't cut across people's yards.
3. Cross at intersections and obey traffic lights.
4. Make-up is better than a mask. A mask may make it hard to see.
5. Have a plan for walking so you cross the street only when necessary.
6. Don't go into other people's houses. Stay outside.
7. Go only to houses that are well lit.
8. Wear bright, reflective colours so that drivers can see you when it gets dark. Remember that just because you see the cars, it doesn't mean the drivers see you.
9. Be courteous and say "Thank you" to the people who give out treats.
10. Have your parents check your treats for tampering before you eat any. If you see something suspicious, throw it away. Make sure that the treats are in their original wrappers. Don't eat homemade treats unless you know the people who gave them to you.
11. Carry identification, including your name, address, and phone number.
12. Trick-or-treat only in your own neighbourhood.
13. After dark, take a flashlight along. This will help you see where you are going and let drivers see you.
14. Wear costumes that are fireproof and not too long or too loose.
