

Annunciation Elementary Catholic IB School 2022 Casino Starlight Casino West Edmonton Mall Casino January 13 & 14, 2022 (Thursday & Friday)

We are excited and blessed to be able to have our casino taking place this January 2022 at the Starlight Casino West Edmonton Mall, entrance 9 off 90th Ave upper level.

Working a casino helps our children to get the things that are needed to help them move forward in their education. It also assists the staff to teach our children with educational materials such as books, technology, sensory tools, and so much more.

Working at the Casino is very easy. If you can work an ATM machine you can do any job at the casino! You are never alone and there is always a casino employee or advisor there to assist you. There are various shifts available. Attached is a list of the duties of each position and the position and times available. The earlier you get your request in, the chances are you will get the one you choose. Please email me and put in the subject line your name and date you would like to work. In the body of the email, please include:

Name:

Day Desired:

Position desired:

Time:

You don't know how much the school council, all of the students, and the staff appreciate your time and effort to volunteer.

Please note, you do need to be double vaccinated as per the casino guidelines.

I can be reached at 587-879-7727 or email staceylaine74@gmail.com if you have any questions.

Stacey Dozorec
Casino Chair
