

# QUICK UPDATES FROM ANNUNCIATION SCHOOL

Here is your update for the week of March 21<sup>st</sup>

<p><b>Good News!</b></p>	<p>♥ Thank you to all who joined us virtually at our Demo of Learning this past Wednesday! We are so very proud of all our students who have been working incredibly hard, and even though we are not able to display their work in the way we would like to, it is wonderful to still find ways to share their successes with you.</p> <p>♥ Our staff and students want to take action to support Ukraine! We have been wearing blue and yellow, students have been creating messages, prayers, artwork and flags and teachers are helping their students to understand the importance of peace and respect. Our students have been learning about almsgiving during Lent in that they make a small sacrifice or perform good deeds and perhaps collect some money in doing so. Please see below for more information.</p>

This money will then be donated to help support Ukraine. Over the next few weeks (including spring break) you can discuss with your child some extra chores they might be able to do and earn some money to donate. The students can start bringing in their money as they earn it. We will continue to collect donations throughout Lent until Easter.</li> <li>➤ SKIP THE DEPOT FUNDRAISER - Please help support the purchase of learning resources, including technology and Phys Ed equipment by bringing in your recycling (juice boxes, pop cans, milk cartons, etc.) THIS THURSDAY morning.</li> </ul>
