

# QUICK UPDATES FROM ANNUNCIATION SCHOOL

Here is your update for the week of April 18<sup>th</sup>

<b>Good News!</b>	 <p>As we continue to make our way through the COVID pandemic, we want to thank you for your continuing support as some restrictions are being lifted and others, such as isolation policies remain the same. This has been a challenging couple of years, and we are especially proud of our students for all they have worked through during this challenging time. We are excited to have opened up a few things here at school as we are able to mix our classroom cohorts. This week, our Grade 6 lunch monitors will begin supporting our classrooms during lunch, we will have our first school-wide celebration and plans are in motion for our school Running Club to get started for our Grades 3-6 students. Please know that even as we open things up more at school, we continue to ensure we do so in a safe manner with continued sanitizing and distancing wherever possible.</p>
