

QUICK UPDATES FROM ANNUNCIATION SCHOOL

Here is your update for the week of October 11th

Good News!	<p> Thank you to Mrs. Maione, Mrs. Howarth and our Grade 3A and 3B students who put together a beautiful virtual Thanksgiving Celebration this past Thursday. This celebration truly reminded us of the importance of reflecting on all we have to be thankful for, even during these very different times. We are reminded about how special our school community truly is and how important it is to find new ways to come together in celebration and prayer.</p> <p> Thank you also to Mrs. Jennings and Mrs. Peterson who worked hard to put together our virtual week of reading! The students enjoyed a variety of virtual and a few in-person readings, reinforcing the gifts that stories can bring.</p> <p> Congratulations to Declan and Aria in our Kindergarten class who had the largest donations for our social justice project, and each won a Terry Fox t-shirt.</p>

School News	<ul style="list-style-type: none">➤ We are very fortunate to have two nutrition practicum students from the University of Alberta who will be presenting to two different classes each week. Students will be learning about the Canada Food Guide, food groups, and healthy snack and meal planning. These students will also be providing our parent community with a bi-weekly nutrition bulletin to reinforce healthy eating at home. ➤ HEADS-UP - Monday, October 18th is our School Division Faith Development Day and so there will be no school for students on that day.

Have a Great Week!
