

ARCHBISHOP MACDONALD HIGH SCHOOL

CELEBRATION
of
EXCELLENCE

2020-2021

It is with pride that we welcome you to our Virtual Celebration of Excellence. Although we cannot gather as a community, we gather virtually to celebrate the extraordinary achievements of the students of Archbishop MacDonald.

The staff and administration are extraordinarily proud of our students who, despite the disruptions and uncertainties of a global pandemic, overcame challenge after challenge and attained excellence. Whether students learned online or in person, the hard work and dedication necessary for academic success remained the same.

Congratulations to all the honourees for your hard work and dedication to both your education and your school community during a very challenging school year.

The program you are now reading is interactive. Please click on each of the titles in the table of contents to access a pre-recorded video message. Please share this program with family and friends as together with joy, we celebrate excellence.
