⁹ Bring headphones

Exam Rules and Considerations:

- Plan to arrive to the exam room 5 minutes early.
- Students will need a pen with dark blue or black ink, a soft pencil that produces dark lines (and a sharpener if required), a ruler, an eraser, basic geometry instruments (i.e. protractor)
- Please ensure you review the regulations involving calculators during the pre-exam period
- Correction fluid/pens are not permitted
- Drinking water in a clear container is permitted. No other food or drink is permitted.
- Bring your student ID
- Know your candidate number and session number
- Students are *not* allowed to leave the exam room within the first hour of the exam or the last 15 minutes.
- Go to the washroom *prior* to your exam!
- Adhere to the seating plan assigned for each exam.
- Once you enter the exam room there is absolutely NO talking.

The Day Before the Exam:

Get organized
Get a good night's sleep
Review your notes

The Day of the Exam:

Have something to eat
Review your notes
Get outside or exercise to clear your mind
Plan to arrive early

At the Start of the Exam:

Breathe.
Smile – give yourself positive energy.
Remind yourself you can do this!

During the Exam:

Read the questions carefully
Annotate your exam copy
Organize your thoughts before you write
Read and revise your writing as you go
Keep moving forward, even if you don't understand a question
Flag questions for later to revisit
Go with your gut

After the Exam:

Smile!
