Student Vote: Federal Election 2021**

During PLT Friday September 27th, Mac students participated in Canada's *Student Vote*. They cast their vote in Canada's Federal Election. Although their results did not accurately predict the results of *Edmonton-Centre Riding*. Student results did predict a tight 3-way race between the Liberal, Conservative and NDP candidate.

Party	Votes	% Of Vote
*Heather Mackenzie NDP	339	44.3
James Cummings Conservative Party	236	30.8
**Randy Boissonault Liberal Party	133	17.4

*Winner of Mac's Student Vote

**Actual winner of Edmonton-Centre riding.

A big THANK-YOU to MAC's Social Studies 30IB students, who acted as Electoral Officers: organizing and running this school wide event. Unfortunately, CIVIX (the organization that runs Student Vote) will not be running Student Vote for the upcoming municipal election in October.
