

AOB Final Exam Schedule – Quarter 2 January 2021

Diplomas: Students have a choice whether they write the diplomas or not. Please refer to information provided by Alberta Education for more information. If a student, in-person or online, chooses to write a diploma, he or she must come to the school 15 minutes before the exam start time on the date outlined below.

Note: All ELL and International Students MUST write the English Language Arts 30-1/30-2 Diploma Part A and Part B to receive English competency credentialing expected at post-secondary schools.

Final Exams: If a student is a remote learner, the final exams will be done from home through Google Classroom on the specific time and date given below, and the online learners will NOT be able to write the exam at any other time.

In-school learners will write their final exams in their classroom at the location and on the date given below.

Classes are in progress during the following exams.
