

A Message from your School Council Chair

Season's Greetings to all families of the St. Oscar Romero community!

Your School Council works behind the scenes, serving as a voice for parents and pursuing fundraising opportunities for the benefit of all of our students. We are presently collaborating with Cobs Bread at Callingwood and West Granville, so don't forget to mention upon purchase you are part of St. Oscar Romero school.

We have tentatively set Thursday, January 21 at 6:30pm as our next School Council (virtual) meeting. Please mark your calendars and stay tuned for more details in early January.

We thank all our teachers and administration for doing all they can to keep up with COVID-19 protocols, and we look forward to January 2021 and getting our students back to in-school learning.

Our prayers are with the St. Oscar Romero community, and we hope that everyone keeps safe and healthy. Merry Christmas and Happy New Year!

Deanna Wallace

Chair
