

GENERAL MUSIC 10

FNA1424

3 Credit Course

Course Overview	Students will study music and music creativity through experimenting outside of the band or choir model. In this program students are provided with, guitars, bass, drums and ukulele including other instruments they bring to class with which they will study a variety of contemporary music forms. Including, rock, pop, folk, blues gospel and jazz. This will provide students with the same learning opportunities as classically oriented music programs.

TYPE	TITLE																						
1	Melody, Harmony																						
2	Time Signature, Chords and Tabs																						
3	Key Signature, Major Keys, Minor Keys																						
4	Strum Patterns, Rhythm and Chord Changing																						
5	Song Structure and Song Writing																						
6	Composition and Transposition																						
7	Practice Techniques, Performance (Instrumental/Vocal)																						
8	Understand and Demonstrate Proper Instrument Care																						
9	Sight Reading, Ear Training																						
10	Music History																						
An Important Note About Assessment	A wide range of assessment information is used in the development of a student's final grade. Within Alternative Education, individualized assessments provide specific information regarding student progress and overall performance in the course. Student assessments may vary from student to student to adapt to differences in student needs, learning styles, preferences and paces. The teacher will apply best teaching practices to determine appropriate assessment.
