

**DRAMA 20**

**FNA2410**

**5 Credit Course**

<b>Course Overview</b>	The overall goal of Drama is to foster a positive self-concept and to explore life through the assumption of roles, the study of relationships and the acquisition of dramatic skills. The imaginative exploration involves setting up a dramatic situation, “acting out” that situation, artistically communicating emotion and meaning within that situation and reflecting on the consequences. It is this reflection that provides the knowledge for self- discovery and development.														
<b>Prerequisite</b>	<i>Please refer to Alberta Education’s Provincially Authorized Senior High School Courses and Course Codes Document</i>

<b>An Important Note About Assessment</b>	A wide range of assessment information is used in the development of a student’s final grade. Within Alternative Education, individualized assessments provide specific information regarding student progress and overall performance in the course. Student assessments may vary from student to student to adapt to differences in student needs, learning styles, preferences and paces. The teacher will apply best teaching practices to determine appropriate assessment.
