

**KATHERINE THERRIEN**  
Catholic Elementary School

May 17, 2022

Dear Katherine Therrien Families:

Each year, St. Francis Xavier High School hosts a social justice activity to support a charity of choice. This year, they have extended the invitation to all ECSD schools to join in their project by hosting an activity of their own.

On Friday, May 27, students will be joining other schools in Edmonton Catholic in support of “*Pieds Pour Paix*” (Pedal for Peace). This unique event has two goals. The first, is to help our students understand and appreciate the value of goal setting and working together as a team. In this year when peace is so important to promote, we wish to bring students together to empower them to be changemakers with peace centered hearts. The second goal associated with this event is to support our community causes who are in need.

**Here is the challenge:** Each homeroom will be using their math skills to support peace. As part of the larger ECSD team, we will set a goal then work to meet it! At KT school, we will be having a Mathathon. Students are asked to receive pledges that would be received based on the number of math questions they get correct. (Flat donations will also be accepted.) Our hope is that in the end, we would be able to donate \$250 to the *Pieds Pour Paix* event this year.

Funds raised will be split to support some great causes! Our funds will be split 50% to the Edmonton Catholic Schools Foundation, 50% will go to Catholic Social Services. The worthy recipients noted above include the following: The Dreams for Kids Campaign which provides hot lunches, mental health supports, and emergency supports for students in need within our Edmonton Catholic School Division. The Sign of Hope Campaign, more specifically supports services and programs for people, refugees and immigrants, fleeing their countries due to war and unrest amongst a number of other programs that make great impact in the community.

This is so very fitting as it will take place during Catholic Education Week – a week that celebrates being part of a Catholic Education Community.

Thank you for considering participation in this amazing goal! Together we can make BIG CHANGE when set goals and move in one direction!

Yours in Christ,

*Katherine Therrien School Family*
