Dear KT Families:

If you require a translation, please select your language, copy and paste this message into [Google Translate](#) or call the school for verbal clarification.

We want to take this opportunity to thank our parents/guardians who have gone that extra bit to ensure that our staff and students are safe and supported. We have seen a parent spread gravel and cut stairs into hills of snow from the community league parking lot. We have had another parent ensure that our staff are kept dressed for the winter when their coats had some damage. Other parents have donated items to share with our school family. From the bottom of our hearts, we so appreciate your support! That little gesture is sometimes that one thing that helps us make it through these pandemic days!

No School Tomorrow – Thursday 27 January 2022

A reminder that there is no school tomorrow, Thursday 27 January 2022. Staff will be partaking in professional development and time.

Friday 28 January 2022 will be our Katherine Therrien Day. Kindergarten, Grade 1 and Grade 4 will partake in person. Grades 2, 3, 5 and 6 will partake online.

Monday 31 January 2022

Our online classes will be back in school on Monday 31 January 2022. Student may return as long as they are not a close household contact, not ill or not in isolation. Please continue to use the [Alberta Health Services Daily Checklist](#). This will tell you whether your child is well enough to come to school or needs to stay home.

Yelo'd Ice Cream Orders

As emailed out on Monday, our school council is hosting an ice cream fundraiser through Yelo'd until February 4. Order directly through Yelo'd. See the attachment below for more information.

Grade 4, 5 and 6 Sledge Hockey

We have been able to secure another date for our division II students to partake in one more sledge hockey experience!

As you may remember, we had to cancel our last session due to the first rain, freeze, cold weather cycle in December.

Grade 4, 5 and 6 students will be attending Castledowns Skating Arena on Wednesday 9 February 2022 to make up this last session. If your child has a hockey helmet, please send it with them this day. Please also ensure that they have mitts or gloves.

No new field trip form will be required as we have the original from December. If you have

further questions or need to update your field trip form, please contact your child's teacher prior to 8 February 2022.

Grade 7 Junior High Open Houses

Please see the attachments below for feeder school and open house information for Grade 7. Our feeder schools are St. Edmund and Sir John Thompson – depending on where you live. There is a science and math academic program also available to students at St. Cecilia.

Our grade 6 students will also have an opportunity to meet and speak with the principals and some staff from St. Cecilia and St. Edmund during school time over the next couple of weeks.

For the most up-to-date information, please check the junior high school website(s).

New to Kindergarten?

ECSD is hosting a division-wide virtual event for families preparing for kindergarten. Experts in early learning and childhood development will be sharing insights into what families can expect in kindergarten, how to register, what programs are available, how to be a partner in your child's education, and more! Our event was live-streamed on www.ecsd.net/_ci/p/39784 and is available to watch on-demand. Feel free to share this information with family and friends interested in registering with Edmonton Catholic Schools! The Journey Begins Here!
