

October 21, 2021

To whom it may concern,

Our store is proud to be an active part of the City of Edmonton and its communities. We would like to support your school and its fundraising efforts.

Save-On-Foods has started a program so that we can continue to help the schools in our area.

This is how our proposal works:

- Invite your school families to shop at our **Oxford Save-On-Foods** location here in Edmonton.
- Have each family submit their Save-On-Foods receipts every month to their child's teacher.
- We will add up the receipts and give your school 5% *cash back* of the total amount that was spent in our store.

For example: if you have 200 families that spend an average of \$150.00 per week in our store, that would earn your school \$1500.00 in "cash back" per week. This money will then be given to your school in the form of a cheque to put towards grocery items for things such as a school breakfast or lunch program.

As the Store Manager of the Oxford Save-On-Foods, I would like to take this opportunity to thank you for having us as part of your school community, and for considering us for all your shopping needs.

Sincerely,

Stace Ransom, Store Manager
Save-On-Foods - Oxford
12903 – 153rd Ave
Edmonton, AB
