

KINDERGARTEN SUPPLY LIST 2021-2022

Our full-day kindergarten classes will be spending a half day with the kindergarten teacher and a half day with the Early Childhood Educator for the Extended Experiences part of the program. Therefore, we thought it would be easiest if students had 2 sets of supplies, one for each room. These individual sets of supplies will be for your child's use only and will not be shared with other students.
