Staff Retirement: We would like to acknowledge the retirement this Christmas of Educational Assistant Mrs. Manon Corriveau. Mrs. Corriveau has been coming to St. Bonaventure for 27 years, first as a parent, and then for the last 17 years as an EA. Her devotion and care for the students and staff at St. Bonaventure School will always be remembered.

Our Conquer Hunger Educational Luncheon

We are having another Conquer Hunger lunch on the full day, December 16. You must confirm your child's order on PowerSchool by December 9. Please only order if your child is planning on attending school that day. **THIS LUNCH IS FREE.**

COVID-19 Routines:

Thank you so much for ensuring safety for all as you have your child arrive at school on time and enter through appropriate limiting away from their door, we are movement cohort classes. Please continue the great work of having them come to school **ON TIME** and prepared for the day ahead; homework, lunches, water bottles, masks, and plans on how to get home.

Remember to use PowerSchool for checking your child's progress in school. There are no more regular report cards, so it is only through PowerSchool and Demonstration of Learning that you're able to see your child's successes at school. Monitoring your child's academics is very important to encouraging success in school. <https://powerschool.ecsd.net>
