$30

TEETH CLEANING
FOR KIDS & TEENS

NAIT's Dental Assisting Technology program is providing teeth cleaning and fluoride application to kids and teens aged 7 to 18. It's only $30 per kid/teen and $50 per family of two or more kids/teens residing in the same household!

This service takes approximately three hours and is carried out under the direct supervision of licensed professionals. Services offered from May to July, 2021.
