ACADEMY'S VISION

To provide the finest Christ-centred learning environment which inspires young women to develop spirit, leadership, intellect, self-discovery and service.

The Jean Forest Leadership Academy empowers young women to achieve academically and grow spiritually by developing their gifts and talents.

Studies show that girls in all girls schools:

- do better academically and in examinations for university entrance
- are more likely to choose math and science courses and excel in these areas
- are more likely to go on to post-secondary education
- have a greater sense of self esteem
- have less stereotyped views of men's versus women's occupations.

Studies of women who graduated from an all girls school indicate that the graduates are:

- much more likely to graduate from college or university
- more likely to obtain doctorates
- more likely to be professionals or hold executive or managerial positions in business
- more financially successful
- more active in community organizations.
