

April 29, 2021

Dear Parents/Guardians,

The Government of Alberta announced today an extension for online learning for all Edmonton Catholic Schools students in Grades 7 to 12. The extension is part of new targeted restrictions implemented to address growing COVID-19 cases in hot spot communities across Alberta, including Edmonton. At this time, **in-person learning is scheduled to resume on Monday, May 17.**

For parents of students in Grades 7 to 12, the following information is still in place:

- School schedules and hours will remain the same during online learning.
- All schools continue to remain open, with COVID-19 access restrictions still in place. Administration can be contacted to schedule appointments or for further information. Online meetings or phone calls remain the recommended method of contact.
- Inclusive supports remain in place for students.

**There will be no change for our students in 100 Voices to Grade 6.** Online students in these grades will continue with their online learning, while students who are in-person at school will also continue in-person.

The safety and well-being of all students and staff remains our top priority. As we continue this temporary shift in learning for junior high and high school students, we are committed to providing a strong and consistent learning environment. Collectively, we will help ensure that our students and staff maintain routines for successful learning while fostering their well-being.

Thank you for your support as we work together to help prevent the further spread of COVID-19 in our learning communities by extending these measures.

Yours in Christ,

Robert Martin  
Chief Superintendent
