FREEPLAY FOR KIDS

YEAR ROUND AFTER SCHOOL CARE

MONDAY TO FRIDAY, 3:30 - 5:30PM

The Free Play Program is a completely free after-school play program for kids in Grades 3,4,5, and 6. The program runs from September 2021 to June 2022. Kids are picked up right after-school and brought to the playing facility. Throughout the week, they will play 4 sports: soccer, ball hockey, flag football, and basketball. They'll also participate in a food's class and an adventure field trip once a week. This is a completely free program.

Certified Staff
All coaches hold official coaching certifications in their dedicated sport. And all youth leaders hold a high level of training or education in youth support work.

Transportation
Transportation is provided to and from facility. Below are list of pick-up schools.

Healthy Snacks
Snacks are provided every day. Weekly food packs are provided to take home with healthy recipes taught in food's class.

Social, Emotional Learning
Kids will learn key social, emotional and mental health skills to conquer any challenge in their everyday lives.
