Go Auto is the largest automotive network in Western Canada. The company is comprised of more than 40 locations across Alberta, BC, Ontario, and the Northwest Territories. Every year Go Auto gives back to the community. This year we are especially excited for our program as we have never attempted it before.

Go Auto is about to launch the "Go Auto Fuels the Schools" program for the 2021 – 2022 school year. Our vision is to provide nutritious meals to hundreds of school children across Edmonton Catholic Schools. Our Chef and his team will be taking the time to make meals for the children at your school. We hope your child will enjoy the food we make for them. From all of us at Go Auto, thank you for letting us be part of your child's day and the opportunity to give back to the community.
