

## Grade 7 Complimentary Courses (Options) 2021 -2022

Dear Parents and Students,

Welcome to STJXXIII! We are excited to be offering complimentary courses to your studies. These classes offer students an opportunity to explore different courses learning new skills and building new relationships with other students.

For the 2021-2022 school year, our grade 7 students will have a variety of options to choose from. All English students in grade 7 are required to take French as a Second Language (FSL). Our French Immersion students receive English Language Arts and French Language Arts instead of FSL programming. Below are the complimentary option courses we are offering to all students in grade 7.

Art, Career Technology and Foundations (CTF), Construction & Design, Foods, Instrumental Music and Drama. Instrumental Music is a full year option. Students are to number their choices in order of preference from 1-6 with number 1 being your **MOST** preferred option (1 – First choice), (2 – second choice) etc. and 6 being your **LEAST** preferred option.

**\* We will do our best to accommodate your preference, however only options with sufficient interest will be offered.**

Please complete the information and return this form to the office.
