Quartermester 2

Grade 1, 2, 5 & 6 : Letters were sent by email on Thursday, November 5th, informing parents of a change in their child's teacher. If you did not receive an email, your child's teacher will remain the same as Quartermester 1.

Grade K, 3 & 4: For in person learners – teachers will remain the same as Quartermester 2. For students joining us for in person learning from online learning, letters were emailed to you on Thursday, November 5th. Online learning students will be informed of their teacher for Quartermester 2 by November 10th.

Thank you for your support and understanding as we navigate this transition. We are happy to know that due to the elimination of Q3 and Q4, students will have stability and consistency for the remainder of this academic year.
