Danita's Conversation with Ashley: Some people she was talking to are interested to know more about the covid cases in the school.

No cases for 25 days

All cases were community transmissions (Parents gave to child who passed to school) – NOT SCHOOL TRANSMISSIONS

Spread of COVID-19 is within the social settings

All classrooms are in cohort, wearing masks, cleaning hands, cleaning high touch surfaces often

The impact of quarantine on grades 7-9 meant 4 or 5 teachers per class / grade and the province could not handle all the replacements.

Operation of playground:

Kids love it

Bolt came loose, swing came off, contacted Bill the contractor

Was supposed to be done 11.24.2020 – Bill confirmed 11.26.2020 with Monday as the inspection (run through) of everything.

No use prior to school – Too many kids, not the correct cohorts

Schedule developed and very appreciated

Opening ceremony for the park? Cut a ribbon

Teachers Lunch

Caffeine– Local

Delivered on Dec 3rd, 2020

Snack donations for kiddos – Drop it at the same time as the lunches for the teachers

Gift Cards for families in need: Want to help those parents who are finding it an extra difficult time. We will get 500.00 to start and Danita will distribute accordingly

Reading Program

Hope is we need to encourage at home reading. CTV News: Students need at home practice – 20 to 30 minutes a night.

Incentive at the school – Students would get points and will then be able to buy a book out of Scholastic (Asking fund raising committee for a startup fund)

Have parents' sign

Start in the new year

Help parents to understand how to read with the young and older children

Library Donation:

Kids could write down which books they would like to read, and we could buy them for them.

How much money should we have in the account?

13K – Balance

700 – Teacher lunches

500 – Gift

500 – Insurance

2K?

½ of the balance?

Lights? We will have a look and see how dark it is back there – Teachers will check.

Kathy to check on the lights

Developer to clarify – We thought that the developer was supposed to put lights along the pathway.

Vote on saving more than 3K = 1

How long do Chrome books take to come in? Depends on the demand, how busy they are?

They are approx. 300 apiece. 20K for charging carts therefore doing a charging station

We have 7 carts with 40 chromes about 350

We need to find out who has a device?

School fees includes a 5-dollar device fee, we want to eliminate that for those families who bring their own

Perhaps we should donate that 5.00 if we can? or would getting 5.00 back be more of an incentive for families to get their own?

Ordering Chrome books for Christmas? Good time if the parents were thinking of ordering

We can not pre buy them because they come with White Glove Service

1500.00 to the reading program

Are going to wait for the numbers to come back and then order the Chrome Books and decide how much we leave in the account.

Bottle Depot – Adam will look into

Raffle Box – Set up a 50/50 online

Will leave the rest of the fundraising until the new year
