

COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR ADULTS 18 YEARS AND OLDER)

Overview

This tool was developed to support schools, activity organizers, employers, businesses and facility operators in reducing the risk of transmission of COVID-19 among attendees/staff. The tool is meant to assist with assessing attendees who may be symptomatic, or who may have been exposed to someone who has COVID-19.

Attendees should complete this checklist prior to participating in the activity or program. If an individual answers **YES** to any of the questions, they must not be allowed to attend or participate in the activity or program.

As the COVID-19 pandemic continues to evolve, this screening tool will be updated as required.

Screening Questions for Adults 18 Years and Older:

1.	Have you traveled outside Canada in the last 14 days?	YES	NO
If you answered “YES”: <ul style="list-style-type: none"> You are required to quarantine for 14 days from the last day of exposure. If you develop any symptoms, use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is recommended. If you answered “NO”, proceed to question 2.
