Online Registration at Edmonton Catholic Schools

Register your child for school from the comfort of your own home.

Edmonton Catholic Schools (ECSD) requires online registration for all students new to this district.

This process is only for students who do not currently attend an Edmonton Catholic school. If the student is already with Edmonton Catholic, the junior high school will tag them to the high school within their boundary.

Register your child using our simple online process. Schools provide computer access to those who do not have Internet service, if you contact us to make an appointment to come into the school. We adhere to all Alberta Health Services COVID protocols.

It's easy. Here's how:

NOTE for Temporary Residents
